**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer it is important to continue to have choices and not be dominated by companies intent on monopolizing bandwidth by squeezing out small compsnies which provide excellent service to the communities in which we live. I have chosen Sonic.net both for telephone and isp services which they do with excellence and at a compeitive cost. I have done so because the larger conglomerates offer poor service and are indifferent to the needs of local communities. Your actions if passed would eliminate my choice.
